CLC Training

If you attended the CLC training in Butte (August 2015) or Helena (September/October), please be sure to submit your expense forms to Chris Fogelman. For questions regarding expense forms, contact Chris via [email](#) or phone 444-5285. Also, submit your continuing education credit form to Lacy Little. The CLC class was approved for 40 WIC CEU's. For questions regarding CLC training, please contact Lacy Little via [email](#) or phone 444-5923.

M-Spirit Changes

The Risk Factors Guide is updated in M-Spirit. If you have questions about definitions for risk factors, this is a great tool. It is located at the bottom of the page when you are adding risk factors and it is called *Risk Factors Details Guide*. This guide will be specific to the participant folder that you have opened by their category.

The goal setting options have changed. There is an option for "the participant centered goal is..." Please choose this option and in your notes list the specific goal.

With these changes, please reset your local reference data for the changes to occur. If you have questions please contact Lacy Little via [email](#) or 444-5923 or the Help Desk.

Medicaid Expansion in Montana!

As you may have heard, Montana received approval from CMS to go forward with Medicaid Expansion. Please read the [attached information](#) to help guide you in answering questions. Please assess your participants for a referral to Medicaid to see if they qualify!

Journal of Human Lactation Special Issue

The Centers for Disease Control and Prevention's Division of Nutrition, Physical Activity and Obesity (DNPAO) coordinated the development of the newly published [Journal of Human Lactation Special Issue](#) on community-based support for breastfeeding. Check out the details and the link to the journal.

Final Notice for Time Study

November 5th is the final deadline for your October Time Study. If you have questions, please contact Kelly ASAP at 444-0909 or KAughney@mt.gov. Thank you everyone for your participation on this.
